

NATIONAL INSTITUTE OF TECHNOLOGY CALICUT

VIDEO LECTURE STREAMING EQUIPMENT UNDER TEQIP III

NITC/TEQIP-III/VIDL/SHOPPING/2017-18

Date: 28.03.2018

Sub: Invitation to vendors for presenting technical solutions for Video Lecture Streaming Facility – TEQIP III – reg.

Broad Requirements:

NIT Calicut is currently looking for: “Hardware and Software for Capturing, Live streaming, and Archiving Video Lectures” under the Technical Education Quality Improvement Programme (TEQIP) – Phase III. What is envisaged as a basic requirement is live video capturing from a master class room and live streaming in nearby class rooms in a class room complex. Possibility of capturing video lectures at one location of the campus and streaming to other locations is also explored. In addition to live streaming, archiving facilities are also intended.

Firms interested in presenting their technical solutions in the above context may send their product brochures by email to purchase@nitc.ac.in, teqip-office@nitc.ac.in on or before 30th April 2018. Firms may also attach their client list including top tier higher education institutions of the country.

Firms selected for an initial presentation will be intimated latest by 30th April 2018. The demo has to be given at a time convenient to the institute at the firm’s expense. No further follow-up queries will be entertained in this regard.
