NOTICE

Ref:- Engg/AE1/Water Supply/2019

27.03.2019

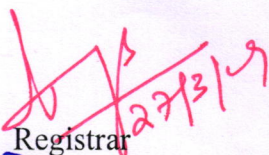

The availability of water at our pumping station is reducing day by day due to the harsh climatic condition. It is essential to reduce the consumption of water in our campus, which is very necessary, with the co-operation of each and every consumer. In order to manage the campus water supply effectively, the supply of purified water is re-scheduled as follows, with immediate effect.

<u>Locations</u>	<u>Time of Delivery</u>	<u>Valve closing</u>
All Hostels, Quarters and Apartments	6.00AM	8.00AM
	6.00PM	8.00PM
Other Locations	8.00AM	1.00PM

The consumers are requested not to use the precious water for the purpose of gardening, agriculture activities, etc., and are also requested to avoid wastage of water by any other means through closing all taps after use in time. It is also informed that if any occupant uses water for other than domestic purpose, the water connection to that occupant will be disconnected and fine will be imposed for unauthorized usage of water.

In addition to this, if any leakage or damage of pipe line/specials anywhere in the campus, the fact may be reported to the Engineering Unit Office without delay in writing or by telephone to the following numbers or by mail to engineeringunit@nitc.ac.in
