

Office of Dean (Academic)
National Institute of Technology, Calicut

09-November-2020

NOTICE

The 16th convocation of our institute is scheduled to be held on November, 28, 2020, Saturday at 3pm through online mode. **Dr E Sreedharan**, former Managing Director, DMRC has kindly given his consent for being the Chief Guest in the event. Even though the prevailing condition of Covid-19 has forced us to conduct the function through online mode, the regular format of the convocation will be followed in equivalent digital forms.

All the graduands have to register for the event by filling the details and uploading a recent passport size photo graph through the portal provided on the Institute website. This photo graph along with other details like name, roll number, degree receiving, department etc will be displayed during the online programme. This will be considered as the process of receiving the degree in the convocation. The original degree certificate will be sent by post individually to all the graduands.

The programme will be live streamed through the official media channels of the Institute. All the registered graduands will be receiving an invitation to join for the programme in a suitable online meeting platform. All of you are requested to take part in the event along with your family members and make the day a memorable one for all of us. Let us work together to make the first ever convocation in online mode an extraordinary one. Suggestions from your side to

conduct the programme in a good manner are welcome and you may send the same to dao@nitc.ac.in

Hoping to meet you all through online mode on November 28,2020.

Wishing you all the Best

Dr. Saly George

Dean (Academic)
