

## Workshops Conducted

### Year 2013:

Sl. No.	Name of the Workshop	Department	Duration
1	Short Term Training Program on Ground water flow and contaminant transport modelling	CED	27-28 December 2013

**No. of Workshops Conducted: 1**

### Year 2014:

Sl. No.	Name of the Workshop	Department	Duration
1	National seminar on Industry institute interface	MED	January 2014
2	Workshop on High Temperature mechanical properties of materials	MED	11th January 2014
3	One day workshop on spectroscopy and applications	PHY	11th January 2014
4	Workshop on Air and soil sampling an analysis WASSA 2014	CED	11 -12 March 2014
5	National Workshop on Models and Mehtods for supply chain decisions	MED	26-Mar-14
6	3-D Ground water flow and contaminant transport modeling	MED	9 -11 May 2014
7	Workshop on hands on experience using ANSYS 13.0	MED	May 2014
8	One week trqaining programme on the topic enbvironmental forensicst	CED	6-12 July 2014

9	Three Days workshop on "Functional Analysis and applications (FAA2014)	Maths	6 - 8 November, 2014
10	One Day Workshop on "Smart Materials and Structures	CED	28 November, 2014
11	Two Days Workshop on Industrial Hydraulics	MED	29 - 30 November, 2014

**No. of Workshops Conducted: 11**

**Year 2015:**

Sl. No.	Name of the Conference	Department	Duration
1	CADENCE ® Circuit Design Suite	ECED	27 - 28 February 2015
2	A Two Days Workshop on Advanced Mathematical Approaches in Chemical and Environmental Engineering using MATLAB and SIMULINK	CHED	28 Feb - 1 March 2015
3	Two Days Workshop on Advanced Optimization Techniques in Chemical Process Industries	CHED	18th - 19th April 2015
4	Employability Skill Development Workshop for B.Tech students of NITC	SOMS	24th - 26th April 2015
5	CFD Workshop using open source tools	MED	27th - 28th June 2015
6	National Meet for Research Scholars in Mechanical Engineering	MED	3-4 July 2015
7	Two Days Short Term Course on Network Simulator (NS-2 and NS3)	ECED	1st - 2nd August 2015
8	Two Days Training Programme on Cadence® Design Suite	ECED	7th - 8th August 2015

9	Personality Development Programme for Final year B.Tech. students of CED	CED	--
10	conduct a Review of Engineering Mechanics-Statistics for weaker students in CED (3rd sem)	CED	--
11	Two days Workshop On RETROFITTING OF RCC STRUCTURES UNDER DISTRESS for final year B.Tech students of CED	CED	14-15 November 2015
12	Three Days workshop on on Real Analysis and Applications (RAA 2015) for B.Tech/ M.Tech./ Msc./ Ph.D. students of NITC	Maths	29th - 31st October 2015
13	conduct an Invited Expert Talk for B.Tech. Mtech and Research Scholars of NIT Calicut	MED	9th October 2015
14	Three Days Training Programme on instruments for Environmental Quality Analysis (IEQA 2015) for Faculty, Research Scholars and Students of NITC	CED	19th - 21st November 2015
15	One Day Workshop on Innovative Strategies in Communication	MED	14th November 2015
16	One Day Workshop on Stress Management for 1st Year B.Tech. students of NITC	MED	7th November 2015
17	conduct an Invited Expert Talk for B.Tech. Mtech and Research Scholars of NIT Calicut	MED	9th November 2015

**No. of Workshops Conducted: 17**

**Total No. of Workshops Conducted : 29**
