Personal interviews were conducted for those candidates who reported in person and video conferencing interviews were conducted for the candidates, who were stationed abroad.</p> <p>The BoG noted that the faculty recruitment was conducted as per RRs and applicable reservations rules. BoG thanked Visitor's nominees, External observers, Subject Experts and external & internal staff who were part of the recruitment and selection process. Dr Chitra K, being a candidate in the recruitment was permitted to recuse herself from further discussion on this subject.</p> <p>The BoG thereafter, upon confirming that the recommendations of the selection committees are in sealed cover, approved the following: -</p> <p>(a) Not to open and keep pending the selection committee recommendations in respect of Dr Malladi Pavan Kumar (Chemical Engg) due to pendency of WPC 1805/2017 in Hon'ble High Court of Kerala and Dr Rathinasamy and Dr Suchitra T V (both Biotechnology) on whose candidature the case has the direct bearing.</p> <p>(b) Open all other recommendations of the selection committees and read out the names of selected candidates. The list of selected candidates is placed at Annexure-A.</p> <p>(c) The BoG approved the selection of candidates at Annexure-A and requested the Director, NIT Calicut to issue the appointment orders at the earliest as per the list.</p>
Subject BG.61.03	Ratification of the Review DPC (Departmental Promotion Committee) 2016 for Non-teaching staff in NIT Calicut with notional promotions only (no financial implications retrospectively).
Discussion & Decisions	<p>The BoG was intimated that restructuring of Non teaching staff was completed (Subject BG.61.08). It was apprised that the DPC of non-teaching staff was conducted in 2016 and the minutes of selection committee were submitted to BoG. As decided vide BG 34.05 and 35.03</p>

the same was submitted to MoE. The MoE vide letter F.No. 4-5/2019-TS. III dated 12.02.2019 informed that no promotion can be considered till withdrawal of 8th Kerala Pay Revision to non-teaching staff. The DPC-2016 was pending for implementation post withdrawal of 8th Kerala Pay Revision and REC to NIT restructuring.

As approved by BG 56.01, the pay of all non-teaching staff were re-fixed after withdrawing the benefits of 8th Kerala Pay Commission and 7th CPC revision of scales were implemented with effect from 01.01.2016. Further, restructuring of non-teaching posts were also implemented in June 2022. Thus, the pre-conditions for implementation of DPC-2016 were met.

It was highlighted that the DPC-2016 will have designations and pay scales of REC structure and implementing it in the same form will be infructuous. Hence, review DPC-2016 was conducted in June 2022 for all Group A, B & C in the NIT restructured pattern. The promotions would be notional, arrears need not be paid and hence carry no financial implications retrospectively.

The BoG approved the review DPC-2016. BoG also approved the setting up of a 'DPC correction committee' as suggested in the report and authorized the Director to implement the corrections, if necessary.

SECTION 4 - ITEMS FOR REPORTING	
Subject BG.61.08	<p>Reporting of the action taken on the decision of BoG (BG.56.01) pertaining to Restructuring of non-teaching posts from REC to NIT pattern at NIT Calicut</p> <p>As instructed by MoE (the then MHRD) vide letter dated 17.03.2010 and as approved by BG 29.10 dated 21 November 2015, restructuring of non-teaching posts to NIT structure to be done with effect from 21 November 2015. Though the Ministry issued directions for restructuring vide letter dated 17.03.2010 and sanctioned additional posts vide letter dated 05.02.2015, restructuring of Non- Teaching Posts to the NIT structure was stalled by various court cases. The court disposed off all relevant cases in early 2021.</p> <p>As approved by BG 56.01, the pay of all non-teaching staff was re-fixed after withdrawing the benefits of the 8th Kerala Pay Commission, and the 7th CPC revision of scales was implemented with effect from 01.01.2016. The BoG also decided to implement mapping of employees to the re-structured staff positions as per the recommendations of the Oversight Committee constituted by MoE vide Letters No.F. 35-5/2018-TS.III dated 20.02.2019 and dated 04.04.2019. Accordingly, restructuring of non-teaching staff has been implemented in June 2022 by mapping them to the concerned NIT post carrying the grade pay of individual staff w.e.f. 21 November 2015. As it</p>

	involves the process of re-designation only, there is no financial implication for the Institute.
Decision	<i>BoG ratified and approved the action taken on the above item. BoG thanked everyone involved with the restructuring process and appreciated their efforts in solving an issue pending for a decade.</i>
Subject BG.61.09	<p>Reporting of the action taken for conducting DPC 2017 to 2022 for Non-Teaching Staff of NIT Calicut with notional promotions to eligible employees (with no financial implications retrospectively).</p> <p>Conduct of DPC, so as to enable promotions and professional growth of employees, is a Statutory obligation of any organization/ Institute. However, the DPC for any of the non-teaching staff could not be conducted since the year 2014 onwards due to pending court cases on restructuring and related issues. Upon disposal of court cases and implementation of the restructuring, hurdles for the DPCs were removed. The review of DPC-2016 was also undertaken in Jun 2022.</p> <p>The conduct of review DPC-2016 provided partial relief to the non-teaching staff. The conduct of DPC for the period from 2017 to 2022 is at the final stages. The DPC 2017 to 2022 is being undertaken in two parts, i.e. first to conduct DPC for Group B & C staff and thereafter for Group A. Promotion rosters, including reserved vacancies, are under preparation. The seniority lists for various trades and grades are also prepared and circulated, inviting corrections/ objections by the staff. The DPCs shall be conducted and promulgated once corrections are incorporated in seniority lists, if necessary.</p> <p>The BOG was apprised that there shall be no financial implications retrospectively for the DPC 2017 to 2022 (Group A, B & C) as promotions are notional as per the Govt. orders / OMs on the subject.</p> <p>It was highlighted that, although it may not be possible to monetarily compensate the staff for the financial losses incurred due to delays in the conduct of the DPCs that were pending due to issues beyond the control of the Institute, the Institute is meeting the statutory obligation by conducting the DPCs. The staff, from now onwards, will be eligible for timely promotions and career progression. The Institute has successfully completed one of the biggest challenges of the decade.</p>
Decision	<i>BoG ratified the action taken on the above item and approved to conduct of DPC in two parts, i.e. first to conduct DPC for Group B & C and thereafter for Group A.</i>

Subject BG. 61.10	Pending Court Cases
Decision	<i>BoG noted that there are 50 pending court cases as on date</i>

Section 5 - Any other matter with the permission of the Chair	
Subject BG.61.12	<i>Formation of Design and Review Cell at NITC</i>
Discussion & Decision	<p>The Chairperson observed that the Institute being one of the high ranked technical institutes and research centers in the field of Engineering and Technology, especially in Civil, Architecture and Planning; should have a design cell that can design the buildings and facilities required for the Institute. The cell should act as a consultant. The role of the cell may include review of designs and plans of facilities / buildings for the Institute undertaken by any other agency like CPWD, building firm etc. The design and review cell or whatever name it may be called should act as a master consultant of the Institute.</p> <p>Upon discussion, it emerged that various experts from different branches available in the Institute can be included in this cell. The cell can work on an appropriate revenue sharing model.</p> <p><i>The BoG informed that a design cell be commissioned at the earliest and detailed paper on structure, role, responsibilities, revenue sharing etc can be prepared and put up for approval of the BoG.</i></p>
Subject BG.61.13	<i>Continuation of Recruitments at NITC</i>
Discussion & Decision	<p>It was reported that there exists a large number of vacancies of faculty members and non-teaching staff in the institute and the Institute intends to continue with the recruitment processes. The Chairman opined that the Institute should continue with faculty and non-teaching staff recruitment so that vacancies are filled as soon as possible. This would not only improve the strength of the permanent staff, will also improve the faculty-student ratio and positively influence in the institutional ranking. Accordingly, <i>it was directed to proceed with another round of faculty recruitment within this calendar year itself and efforts be made to fill up all the vacancies of non-teaching staff within one year while adhering to the RR and approved strength sanctioned by the Ministry of Education.</i></p>

There being no further points, the meeting concluded with a vote of thanks to the Chair.
