**Office of Research and Consultancy**

**Online Interview**

An online mode Interview for the engagement of a **Junior Research Fellow** (on contract basis) for Research Project in the Department of Bioscience and Engineering is scheduled to be held on 02.11.2026.

|                                             |   |                                                                                                                                                                                                                                                                                                                                                                                         |
|---------------------------------------------|---|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>No. of Positions</b>                     | : | 1 Junior Research Fellow                                                                                                                                                                                                                                                                                                                                                                |
| <b>Duration of Engagement</b>               | : | 1 year (on contract basis) and may be extended on the basis of performance of the candidate and availability of the project fund                                                                                                                                                                                                                                                        |
| <b>Name of the sponsoring Agency</b>        | : | ANRF                                                                                                                                                                                                                                                                                                                                                                                    |
| <b>Name of Project</b>                      | : | Influence of imbibition and drainage on plastic biodegradation in porous media                                                                                                                                                                                                                                                                                                          |
| <b>Qualifications</b>                       | : | Essential: Master's Degree in Environmental Engineering/ Chemical Engineering/ Mechanical Engineering/ Civil Engineering/ Biotechnology/ Life Sciences with an aggregate minimum of 60% marks (average of all semesters) or CGPA/CPI grading of 6.5 on a 10-point scale or equivalent, with GATE/NET qualified.<br>Desirable: Experience in designing and monitoring experimental setup |
| <b>Age Limit (optional)</b>                 | : | 28 years as on 29.10.2026 (relaxation based on GOI rules)                                                                                                                                                                                                                                                                                                                               |
| <b>Consolidated monthly pay</b>             | : | Rs. 44,400/-                                                                                                                                                                                                                                                                                                                                                                            |
| <b>Last Date for application Submission</b> | : | 29.10.2026 (5 pm)                                                                                                                                                                                                                                                                                                                                                                       |
| <b>Date for Interview</b>                   | : | 02.11.2026                                                                                                                                                                                                                                                                                                                                                                              |

**How to Apply:**

1. Candidate have to fill the registration form given and submit the duly filled form (as annexed) along with the most recent CV, soft-copies of the mark sheet/certificates in support their academic qualification/ experience. All the soft copies may be consolidated into a single pdf document and e-mail to **hodbiotech@nitc.ac.in** and copy to **shabinaashraf@nitc.ac.in** with subject line **"Application for "JRF/ ANRF/ECRG/2025/004526/ENS"**.
2. The applicant will be responsible for the authenticity of information, other documents and photograph submitted.
3. After shortlisting, the eligible candidates will be notified by email and are invited for the interview
4. The Institute reserves the right to relax qualification and experience for the candidates with exceptional credentials.
5. Applicants who are already in employment (government or any other organization) are required to submit a **"No Objection Certificate"** from the employer at the time of interview along with the above mentioned documents.
6. No TA/DA will be paid for their appearing in the interview.
