Minutes of DCC meeting held on 26/5/2014

1) Mr. T. A Sumesh, Assistant Professor, CSED who is doing PhD under QIP at IIT Kanpur has requested for leave for 5 months from 15th July 2014 to 15 dec 2014. DCC approved the request from Mr. T. A Sumesh and decided to forward the recommendation to the administration.

2) DCC discussed the request from Mr. Nishant Tirkey (B080298CS), BTech third year student for getting extension for one more academic year for completing his BTech degree course, as he will be completing six years by this semester. Student has currently completed 141/175 credits (34 credits remaining). He is left with two core courses in S5 and all courses in Final year except 4 department electives. DCC decided to recommend the request for the consideration of the BOAC & Senate subject to the eligibility to register for the final year.

3) DCC considered the contact course requests from the following students in S8 B.Tech – Pasham Rakesh (B100565CS), Pulgam Prem (B100542CS), Amit Das(B0100964CS), M Uday Kiran Chowdary (B0100545CS), D. Avinash (B100430CS) and Aswin Somraj Koorma (B090236CS)

As per R9.1 in B. Tech. ORDINANCES AND REGULATIONS (2010 admissions) **"A contact course shall be offered to a student who has completed his/her programme of study and has failed in only one subject. It shall be offered during the summer vacation which follows immediately after. The course will be offered only on the recommendation of DCC and with the consent of the teacher."**

DCC discussed each of the individual requests and resolved recommendations as below.

1. Pasham Rakesh (B100565CS) has failed (F Grade) in his global elective course ME4123 – Technology Management and passed all other subjects in the curriculum. He has only one course to clear to obtain his B.Tech degree. Dr. Vinay V panicker Assistant Professor, MED has agreed to offer him ME4123 – Technology Management as contact course during summer 2014. **DCC recommends that the Pasham Rakesh (B100565CS) may credit the course** as a contact course during summer 2014

2. Pulgam Prem (B100542CS) has failed (F Grade) in his global elective course ME4123 – Technology Management and passed all other subjects in the curriculum. He has only one course to clear to obtain his B.Tech degree. Ms. Lyla B Das Associate Professor, ECED has agreed to offer him EC4055 –Design of Intelligence Systems as contact course during summer 2014. Hence the **DCC resolves to recommend the request by Pulgam Prem (B100542CS) to credit this course** as a contact course as per rules.

3. Amit Das(B0100964CS) has failed (F Grade) in his elective subject CS4026- Combinatorial Algorithms and passed all other subjects in the curriculum. He has only one course to clear to obtain his B.Tech degree. Dr. Gopakumar, Assistant Professor, CSED has agreed to offer him elective course CS4040 'Bioinformatics' as contact course during summer 2014. **DCC recommends that Amit Das (B0100964CS) may credit the course** as a contact course as per rule during summer 2014.

4. M Uday Kiran Chowdary (B0100545CS) has failed (F Grade) in his elective subject CS4026-Combinatorial Algorithms and passed all other subjects in the curriculum. He has only one course to clear to obtain his B.Tech degree. Dr. Gopakumar, Assistant Professor, CSED has agreed to offer him an elective course CS4040 'Bioinformatics' as contact course during summer 2014. **DCC recommends that M Uday Kiran Chowdary (B0100545CS) may credit the course** as a contact course during summer 2014.

5. D. Avinash (B100430CS) has failed (F Grade) in his elective subject CS4026- Combinatorial Algorithms and passed all other subjects in the curriculum. He has only one course to clear to obtain his B.Tech degree. Dr. Gopakumar, Assistant Professor, CSED has agreed to offer him an elective course CS4040 'Bioinformatics' as contact course during summer 2014. Hence the **DCC resolves to recommend the request by D. Avinash (B100430CS) to credit this course** as a contact course as per rules.

6. Aswin Somraj Koorma (B090236CS) has failed (F Grade) in his core subject CSU303- Compiler Construction and passed all other subjects in the curriculum. He has only one course to clear to obtain his B.Tech degree. Dr. Vineeth Paleri, Professor, CSED has agreed to offer him the same course as contact course during summer 2014. Hence the **DCC resolves to recommend the request by Aswin Somraj Koorma (B090236CS) to credit this course** as a contact course as per rules.
