

Minutes of DCC meeting held on 03/06/2014

1) DCC considered the contact course request from the Bhavesh Sonwani B100423CS

As per R9.1 in B. Tech. ORDINANCES AND REGULATIONS (2010 admissions) "A contact course shall be offered to a student who has completed his/her programme of study and has failed in only one subject. It shall be offered during the summer vacation which follows immediately after. The course will be offered only on the recommendation of DCC and with the consent of the teacher."

DCC discussed the request and resolved recommendations as below.

1. Bhavesh Sonwani B100423CS has failed (F Grade) in his elective course CS3092 - Network Lab and passed all other subjects in the curriculum. He has only one course to clear to obtain his B.Tech degree. Ms. Pournami P. N, Assistant Professor, CSED has agreed to offer him CS3092 - Network Lab as contact course during summer 2014. DCC recommends that Bhavesh Sonwani B100423CS may credit the course as a contact course during summer 2014

Secretary - DCC - CSED
