

Ekasva 2025

**“Innovation Meet
and Patent Expo”**

4th & 5th March 2025

**Centre for Innovation, Entrepreneurship &
Incubation (CIEI)**

National Institute of Technology Calicut

About the NIT Calicut

National Institute of Technology Calicut (NITC) is one of the 31 institutions of national importance established by an Act of Parliament namely the National Institute of Technology Act 2007, and is fully funded by the Government of India. The mandate of the Institute is to provide higher technical education and conduct research in various branches of Engineering, Science, Technology and Management. Originally established in 1961 as a Regional Engineering College (REC), it was transformed into a National Institute of Technology in 2002. The Institute offers bachelors, masters and doctoral degree programs in Engineering, Science, Technology and Management. With its proactive collaborations with a multitude of research organizations, academic institutions and industries, the institute has set a new style for its functioning under the NIT regime.

About the CIEI

The Centre for Innovation, Entrepreneurship, and Incubation (CIEI) at NIT Calicut promotes innovation and entrepreneurship through cutting-edge facilities and support. Its key components include the Institution's Innovation Council (IIC), Intellectual Property Rights Cell (IPR), Technology Business Incubator (TBI), and Design Innovation Centre (DIC).

CIEI has incubated 109 startups, supported 21 student entrepreneurs, and assisted alumni ventures, creating over **1,500 jobs**. In FY 2023-24, TBI startups recorded a **turnover of ₹63 crores**. Through the Student Innovative Project (SIP) Programme, CIEI supported

108 student projects and **conducted 63 workshops**, training sessions, and mentoring programs via IIC.

About the Event

The Innovation Meet and Expo is a premier gathering designed to bring together innovators, entrepreneurs, industry experts, and venture capitalists in a dynamic environment. This event serves as a platform for showcasing cutting-edge innovations, promoting intellectual property rights, and encouraging collaboration and knowledge sharing.

Objectives of the Event

- Provide a platform for innovators to showcase their projects and prototypes.
- Promote awareness about intellectual property rights and patenting procedures and patent transfer.
- Facilitate collaboration and knowledge sharing about the innovators, industry experts and entrepreneurs.
- Identify and recognize innovative talent and provide opportunities for funding, mentorship, networking and incubation.
