National Institute of Technology Calicut

Center for Innovation, Entrepreneurship and Incubation

Dear Madam/Sir,

To encourage students to do innovative projects which may end up in a patentable product, it is decided to provide financial assistance to such innovative projects. This funding is to meet the expenses related to consumables and contingency, software packages, fabrication/assembly/testing charges and minor tools/equipment.

Regular students (both UG and PG), who are eligible as per the guidelines, can submit project proposals in the prescribed format, through the department.

Last date of submission: 19-08-2022

The general guidelines and application form are available in the following link.

<http://www.nitc.ac.in/?url=news/view/2851/1>

This mail is sent as per the approval from the competent authority.

Dr. Mija S J, Coordinator,
Student Innovative Projects
Center for Innovation, Entrepreneurship and Incubation
