Purchase of various items under TEQIP-II for an amount of Rs. 13 Lakhs

The committee decided to recommend the following items to be purchased under TEQIP-II second installment (for the remaining amount of Rs. 13 Lakhs) for strengthening the PG and UG Laboratories of the Department. The committee also observed that these items are highly essential for solving computationally intensive problems in various courses like Cloud computing, Bioinformatics, Advanced DBMS, Image processing and Pattern recognition and also for the PG Laboratory course Software Systems Laboratory. Many of the final year PG project works also require high-end machines for their implementation.
