

International Conference on Lie Algebra and Number Theory

June 10-14, 2024

Organized by
Department of Mathematics, NIT Calicut

First Announcement

Speakers:

This conference aims to bring together researchers working in various areas of algebra and number theory to exchange knowledge and further possible collaborations. The key topics of the conference are as follows:

- Structure and representation theory of finite and infinite dimensional Lie algebras/Lie superalgebras.
- Number Theory (Algebraic/ Modular Forms/ Automorphic Forms/ Diophantine Equations/ Partition Theory)
- Applications of Lie Theory to Number Theory.

Advisory Committee:

- Prof. Bruce C. Berndt, University of Illinois Urbana-Champaign, USA
- Prof. Ken Ono, University of Virginia, USA
- Prof. K. N. Raghavan, IMSC Chennai, India
- Prof. C. S. Rajan, Ashoka University, India
- Prof. Eswara Rao, TIFR, India
- Prof. Michel Waldschmidt, Sorbonne Université, France

- Prof. Rupam Barman, IIT Guwahati, India
- Prof. Katrina D. Barron, University of Notre Dame, USA
- Prof. Punita Batra, HRI Prayagraj, India
- Prof. Ivan Dimitrov, Queen's University, Canada
- Prof. Evgeny Feigin, Tel Aviv University, Israel*
- Prof. Benjamin Kane, University of Hong Kong, Hong Kong
- Prof. Srinivas Kotyada, IMSc Chennai, India
- Prof. Shanta Laishram, ISI Delhi, India
- Prof. Michael Lau, Université Laval, Canada*
- Prof. Kohji Matsumoto, Nagoya University, Japan
- Prof. Jaban Meher, NISER Bhubaneswar, India
- Prof. Maki Nakasuji, Sophia University, Japan
- Prof. Ameya Pitale, University of Oklahoma, USA
- Prof. A. Raghuram, Fordham University, USA
- Prof. Manami Roy, Lafayette College, USA
- Prof. Anupam Saikia, IIT Guwahati, India
- Prof. Ananth Shankar, Northwestern University, USA
- Prof. Sachin Sharma, IIT Kanpur, India
- Prof. Anupam Kumar Singh, IISER Pune, India
- Prof. R. Thangadurai, HRI Prayagraj, India
- Prof. R. Venkatesh, IISc, Bangalore, India
- Prof. S. Viswanath, IMSc Chennai, India
- Prof. Yoshii Yoji, Iwate University, Japan*
