DCC Meeting Minutes

Date: 08/12/2020   **Time: 12:20 PM**   **Venue/Mode: Online**

The DCC meeting started online at 12:20 PM. The Chairperson welcomed all members to the meeting.

Agenda Item: Proposal for introducing Honors and Minor Programmes for B.Tech. (The proposal from the Dean is attached).

The DCC noted that against the sanctioned faculty positions of 58 (without accounting for the increased student strength) CSED has only 30 on rolls now.

A google form based on the report of the sub-committee constituted by Dean (Academic) was circulated to all the DCC members to collect feedback from faculty regarding offering Honours and Minor Programmes for B.Tech.

From the feedback and comments received, as presented by the B.Tech Program Coordinator, the DCC observed that the majority of the members are not in favor of offering Honors and Minors Programmes until the faculty strength improves.

The DCC proposed that the department will consider offering the honors and/or minor programme only after a significant improvement in the faculty strength and the matter may be considered subsequently during the next curriculum revision.

The meeting came to a close at 12:40 PM

Approval from members obtained via Email and finalized on 16/12/2020.
