	Name of guide(s)/co-guide	Dept .	Mobile No & email id

8	Significance of the proposed		
	project (details shall be given in		
	attached proposal)		
9	Expected time required for		
	completion of project		
	(attach semester wise targets)		
	(attach semester wise targets)		
10	Split-up of Budget in Rs	Stage 1 (first six	Stage 2 (remaining period)
		months)	
	Software packages		
	Minor equipment *		
	Consumables		
	Contingencies		
	Others if any		
	Total		

(Give details of all the students sequentially in the case of a group. For a group with students from different departments, recommendation from the concerned head of department of all students shall be obtained)

- Name & Signature of the applicant(s):
- Name & Signature of project guide(s):I/we have gone through the proposal and guidelines .

• Recommendation from the Head of the Department:

## Notes:

(1) A detailed proposal must be attached along with this application giving the objectives, significance of the work, expected outcomes, literature review (including patent search), methodology and work plan, budget with justifications and any other relevant information in support of the proposal

(2) The aim of this funding scheme is to promote research culture in UG students and accordingly through the research, they shall develop an innovative product. This can also lead to commercialization and start-up or patenting the novelty. Minimum an SCI journal publication shall come from the project. The financial assistance will be provided to carry out the related activities (to meet the expenses related to fabrication/assembly charges, consumables and contingency). \* minor equipment /tools may be permitted, if very specific and essential. No major equipment is permitted under this scheme.
