EMD already deposited along with the quotation shall be returned upon furnishing the performance guarantee.

If the selected bidder fails to furnish the prescribed performance guarantee within the prescribed period, without any specific reason (unless the reasons are intimated to the Institute and approved), the Institute shall, without prejudice to any other right or remedy, be at liberty to forfeit the earnest money absolutely and shall debar the party from participation in any of the quotations/tenders of the Institute for the next 03 (three) years.

Similarly, if the party fails to start the works within the prescribed time limits, the institute, upon issuing a one-week notice period, has the liberty to terminate the contract, execute the works at the risk and cost of the party, and proceed with the penalising action as desired by the Institute.

6. The Contractor shall commence work within **10 days** from the date of issue of the work order. This date shall be treated as the date of commencement of the work.

**Time is the essence of the contract.** All works as per this contract shall be completed within "**Time of Completion**" from the date of commencement of the work as decided by the Institute. Time of completion of this work is **15 days**.

The party shall maintain a hindrance register at the site to record any hindrances or issues that arise and affect the works that are beyond the control of the contractor. This register shall be countersigned by the EIC (Engineer-in-Charge) or his representative assessing the situation.

7. The entire work shall be completed and handed over within the agreed time limit. The institute shall levy liquidated damages by way of compensation a sum of 1.5% (one point five percent) per month of delay to be computed on a per-day basis based on the quantum of damage suffered due to the stated delay on the part of the Contractor, subject to a maximum of 10% (ten percent) of the total value of work. After a delay of 200 days or the contract period, whichever is earlier, the Institute reserves the right to terminate the Contract.
8. Conditional quotations will not be acceptable. The conditions laid down by the Institute are final and binding on all Contractors.
9. The contractor shall comply with the statutory laws, rules, and regulations as applicable pertaining to the labour provided by him at the work site under this contract/work order.

The contractor shall also follow the rules and regulations, working schedule, etc. as notified by the Institute, without affecting the day to day functioning of the Institute.

10. The contractor, after completion of work, shall clean and clear the site of all debris and remove all unused materials other than those supplied by the department and all plant and machinery, equipment, tools, etc., belonging to him within one week from the date of completion of the work, and the site shall be handed over to the Institute, or otherwise the same will be removed by the Institute at his cost or disposed of as per departmental procedure.
11. The Director of the Institute reserves the right to accept or reject any quotations without assigning any reasons.
