

Professional Training Received / Summer Schools / Winter Schools Attended:

Sl. No.	Year	Title of the Training Program	Duration	Organization where training was provided
1	31.10.2022 to 01.11.2022	Workshop on FEFLOW		IIT Roorkee
2	18.11.2019 to 22.11.2019	Introduction to Numerical Weather Prediction	5 days	IIRS, Dehradun
3	03.06.2019 to 07.06.2019	Digital Land Surveying	5 days	IIT Roorkee
4	06.05.2019 to 10.05.2019	Water Resources Modelling (with MIKE Hydro River and MIKE FLOOD)	5 days	NITC
5	10.09.2018 to 14.09.2018	GIAN Course on Dynamic Modelling of Stormwater, Sewerage, and Watershed Systems with SWMM/PCSWMM	5 days	IIT Delhi
6	12.12.2016 to 16.12.2016	Water Resources Modelling	5days	NITC
7	27.04.2016 to 29.04.2016	MIKE21 FLOW MODEL HD FM	3days	DHI (India) Water & Environment (P) Ltd., New Delhi
8	22.05.2013 to 24.05.2013	Surge Analysis Program SAP2	3days	IISc, Bangalore
9	06.02.2012 to 10.02.2012	Research Tools for Evaluating Availability and Safety of Surface Water and Groundwater	1 week	Dept. of Civil Engg., IISc, Bangalore
10	04.02.2012 to 05.02.2012	Workshop on HYDRUS	2 days	Dept. of Civil Engg., IISc, Bangalore
11	28. 11. 2011 to 02.12. 2011	Application of NIH ReSyP Software	1 week	NIH, Roorkee
12	29.11.2010 to 03.12.2010	Climate Change and its Impact on Water Resources	1 week	IE (India), Roorkee
13	12.11.2010 to 19.11.2010	Solid and Hazardous Waste Management	1 week	IIT, Kharagpur
14	25.06.2007 to 29.06.2007	Hydrology of Lakes for Sustainable Human Benefits	1 week	Panjab University, Chandigarh
15	29.01.2007 to 02.02.2007	Knowledge Management	1 week	NIT, Tiruchirappalli
16	27.06.2005 to 30.06.2005	NAPLS and Groundwater	1 week	Centre for Groundwater Studies, Adelaide, Australia
17	06.12.2004 to 17.12.2004	Design and Construction with Geosynthetics	2 weeks	Dept. of Civil Engg., NITC
18	01.03.2004 to 12.03.2004	Water Conservation and Watershed Management	2 weeks	Dept. of Civil Engg., SoE, CUSAT
19	03.02.2003 to 15.02.2003	Remote Sensing and GIS for Resources Management	2 weeks	Dept. of Applied Mechanics and Hydraulics, NITK, Surathkal
20	07.08.2000 to 12.08.2000	Advanced School on Transport and Biodegradation in Heterogeneous Groundwater Aquifers	1 week	Department of Hydrodynamics and Water Resources, Technical University of Denmark
21	19.05.1997 to 30.05.1997	Solar Architecture – Active and Passive Systems	2 weeks	Depts. of Civil and Mechanical Engineering, REC, Calicut
22	20.05.1996 to 15.06. 1996	Remote Sensing Applications to Water Resources	4 weeks	Dept. of Civil Engg., University of Roorkee
23	05.02.1996 to 24.02.1996	International Course on Urban Drainage in Developing Countries	3 weeks	Dept. of Civil Engg., REC, Warangal
24	06.03.1995 to 11.03.1995	Rural Water Supply and Waste Management	1 week	Dept. of Civil Engg., REC, Calicut
25	06.07.1992 to 18.07.1992	Optimization and Stochastic Methods in Water Resources Management	2 weeks	Dept. of Civil Engg., IIT, Kanpur
26	20.01.1992 to 31.01.1992	Micro-Computer Applications to Systems Analysis in Irrigation Water	2 weeks	Centre for Water Resources, Anna University, Madras

Sl. No.	Year	Title of the Training Program	Duration	Organization where training was provided
27	28.10.1991 to 08.11.1991	Teaching Effectiveness	2 weeks	REC, Calicut
28	15.04.1994 to 15.06. 1994	Training under Faculty Exchange Program	8 weeks	Central Water and Power Research Station, Khadakvasla, Pune
