Notice Inviting Quotation

Sealed item rate quotations are invited by the Superintending Engineer, Engineering Unit, on behalf of **The Director, National Institute of Technology Calicut, Kozhikode, Kerala**, for the following work from experienced contractors who have carried out similar works and have registered with Kerala PWD, CPWD, MES, PSUs, or any government organisation.

CIVIL WORK

No.	Name of Work	PAC	EMD
1.	Providing Soak pit for East Campus	₹92,306/-	₹1,900/-

1. Quotation forms can be obtained from the Engineering Unit Office, on all working days from **23/09/2024** to **07/10/2024** up to 01:00 PM on production of original Kerala P.W.D/C.P.W.D/MES Registration with a copy.

Bidders can also download the same from the institute website <https://nitc.ac.in/purchase-section/quotations>

2. Last date and time for receipt of the completed quotation form for all items is **07/10/2024, 01:00 PM**. (If the last date happens to be a holiday for the Institute, quotations will be accepted until **01:00 PM** on the next working day.) The quotation will be opened at 02:00 PM on the same day.

3. The contractor's rates for each item must include the cost of materials, their transportation and storage at the site, all taxes and duties, including GST, water and electricity charges, etc., and all operations contemplated in the schedule and specifications. The institute will not provide Form 'C' or any other such certificates to the contractor.

The rate quoted by the contractor as per this quotation is final and binding on the contractor; there is no revision of rates at a later stage, and there is no payment to the contractor towards cost escalation at a later stage.

All the work as per the BoQ is to be completed in line with the CPWD specifications, ensuring the functional requirements of the particular item and as per the instruction of the engineer in-charge. All the activities as per the CPWD specifications are to be treated as included in the rate and are to be followed while executing the work. All works should be executed as per the work procedures and quantity mentioned by IS standards / CPWD specifications.

4. The EMD is required to be remitted to the State Bank of India account under the UPI identification **emd5027.597@sbi**, mentioning the Quotation reference number in 'Remarks', and the UTR transaction ID/receipt should be submitted to the office of the undersigned before the date of the opening of the quotation.

The EMD amount can also be paid by Fixed Deposit Receipt from a Scheduled Commercial Bank, or Bank Guarantee from a Scheduled Commercial Bank, assigned in favour of the **Director, National Institute of Technology Calicut, NIT Campus P.O, Calicut - 673 601, Kerala** and made payable at State bank of India, NIT Calicut branch, Chathamangalam. The original of the same should be submitted to the office of the undersigned before the date of the opening of the quotation.

The quotation received without EMD or with EMD in any other form than as stated above is liable to be rejected. The EMD will be refunded to the unsuccessful bidder within one month of the acceptance of the quotation.

This being a Work Contract, the MSME Act will be applicable accordingly.

5. Within **07 (seven) days** of the award of the contract, the Contractor shall furnish to the Institute a Performance Guarantee (Security Deposit) in the form of an Fixed Deposit Receipt from a Scheduled Commercial Bank, or Bank Guarantee from a Scheduled Commercial Bank, in favour of the **Director, National Institute of Technology Calicut, NIT Campus P.O, Calicut - 673 601, Kerala**, for a sum equivalent to 5% of the contract value or as specified in the work order, valid up to the completion of the defect liability period.

The PG/SD can also be remitted to the State Bank of India account under the UPI identification **sd3926.901@sbi**, mentioning the Quotation reference number in 'Remarks', and the UTR transaction ID/receipt should be submitted to the office of the undersigned within **07 (seven) days** of award of the contract.

EMD already deposited along with the quotation shall be returned upon furnishing the performance guarantee.

If the selected bidder fails to furnish the prescribed performance guarantee within the prescribed period, without any specific reason (unless the reasons are intimated to the Institute and approved), the Institute shall, without prejudice to any other right or remedy, be at liberty to forfeit the earnest money absolutely and shall debar the party from participation in any of the quotations/tenders of the Institute for the next 03 (three) years.

Similarly, if the party fails to start the works within the prescribed time limits, the institute, upon issuing a one-week notice period, has the liberty to terminate the contract, execute the works at the risk and cost of the party, and proceed with the penalising action as desired by the Institute.

6. The Contractor shall commence work within **10 days from the date of issue of the work order.** This date shall be treated as the date of commencement of the work.

Time is the essence of the contract. All works as per this contract shall be completed within "**Time of Completion**" from the date of commencement of the work as decided by the Institute. Time of completion of this work is **15 days**.

The party shall maintain a hindrance register at the site to record any hindrances or issues that arise and affect the works that are beyond the control of the contractor. This register shall be countersigned by the EIC (Engineer-in-Charge) or his representative assessing the situation.

7. The entire work shall be completed and handed over within the agreed time limit. The institute shall levy liquidated damages by way of compensation a sum of 1.5% (one point five percent) per month of delay to be computed on a per-day basis based on the quantum of damage suffered due to the stated delay on the part of the Contractor, subject to a maximum of 10% (ten percent) of the total value of work. After a delay of 200 days or the contract period, whichever is earlier, the Institute reserves the right to terminate the Contract.
8. Conditional quotations will not be acceptable. The conditions laid down by the Institute are final and binding on all Contractors.
9. The contractor shall comply with the statutory laws, rules, and regulations as applicable pertaining to the labour provided by him at the work site under this contract/work order.

The contractor shall also follow the rules and regulations, working schedule, etc. as notified by the Institute, without affecting the day to day functioning of the Institute.

10. The contractor, after completion of work, shall clean and clear the site of all debris and remove all unused materials other than those supplied by the department and all plant and machinery, equipment, tools, etc., belonging to him within one week from the date of completion of the work, and the site shall be handed over to the Institute, or otherwise the same will be removed by the Institute at his cost or disposed of as per departmental procedure.
11. The Director of the Institute reserves the right to accept or reject any quotations without assigning any reasons.
