The Registrar (i/c) welcomed the members present to the 103rd meeting of the Senate of the National Institute of Technology Calicut, and the Chairman, Senate, called the meeting to order at 3.00 PM.

S 103.1: Consideration of the request received from a student seeking condonation of shortage of attendance and permission to appear for the end semester examination (Monsoon 2025).

Background

This emergency meeting of the Senate was convened by the Chairman Senate to consider a request submitted by a student for condonation of shortage of attendance and permission to appear for the End-Semester Examinations for the Monsoon 2025 session.

The Dean (Academic) presented details regarding the issue. Given the extraordinary circumstances, the student's future academic progress, the compassionate grounds involved, and the medical officer's certification, the following was proposed:

- *Condone the shortage of attendance for all the courses registered in Monsoon 2025 and permit the student to appear for the Regular End-Semester Examinations (Monsoon 2025).*
- *Permit the student to (i) appear for Make-up examinations for the Mid-Semester Examinations and (ii) to complete all kinds of assignments/tutorials as part of the continuous evaluation for all the courses registered during Monsoon Semester 2025 before the final class committee meeting.*
- *Allot a guide and permit to begin the thesis work with an extended deadline for submitting the final report and presentation (the result of the course is to be kept as 'I' grade till this deadline).*
- *Register for all the courses of the Winter semester 2025-'26, even if there are any prerequisites for the courses.*

Decision:

The Senate approved the above proposal.

The meeting concluded at 3:30 PM with thanks to the Chairman.
