Decision	<p>The BoG was apprised the following:</p> <ul style="list-style-type: none"> i) NIT Calicut and University of Shanghai for Science and Technology (USST), Shanghai, China, had entered into an MoU in October 2015 for a period of five years, for academic and research collaborations. ii) The MHRD has issued a letter No. No.33-1/2019-TS-III(Pt.V) dated 11/10/2019 along with the Office memorandum No.F.N.13-22/2016-ICC dated 20/09/2019 with the instruction that "in addition to other clearances, prior approval of the Ministry of Home Affairs and the Ministry of External Affairs must be taken by the Academic Institutions/ Universities before signing of MoUs /Educational Exchange Programme (EEP)/ Agreements/Joint Declaration of Intent (JDI) letter of Intent (LoI) etc with Chinese institutions/ Universities. iii) In the past four years, the institute undertook many joint activities and academic exchanges with USST. Subsequent to the recent discussions with USST researchers, the institute plans to undertake the following activities: <ul style="list-style-type: none"> a) Continue with the efforts for joint research proposals under BRICS, Indo-China and other multi-lateral schemes on equal footing. b) Continue with academic exchanges and knowledge sharing. c) Sharing of experiences in urban monitoring, where our counterparts have one of the best expertise in the region.

	Considering all the above, the BoG resolved to grant approval for obtaining the required permissions from various Ministries of Govt. of India for extending the same MoU for a further period of five years.																												
Subject BG52.11	Consideration of the increase in intake of UG and PG students consequent upon the implementation of reservation for Economically Weaker Sections.																												
Decision	<p>The BoG was apprised the following:</p> <p>i) As per MHRD OM on reservation for Economically Weaker Section (EWS) for admission in central educational institutions, F.No.12-4/2019-U1 dated 17th January 2019, NIT Calicut decided to implement the new reservation in two phases starting from academic year 2019-20. As per clause 2(c) of the said OM, the institute has to “increase the number of seats over and above the annual permitted strength in each branch of study or faculty so that the number of seats available, excluding those reserved for the persons belonging to the EWS, is not less than the number of such seats available, in each category, for the academic session immediately preceding the date of the coming into force of this OM”.</p> <p>ii) The existing intake till academic year 2018-19 for the Post Graduate (PG) programmes at NITC (MTech, MSc, MBA and MCA put together) is as shown in Table 1 below:</p> <p style="text-align: center;">Table.1</p> <table><tr><th>Year</th><th>OC</th><th>OB</th><th>SC</th><th>ST</th><th>EWS</th><th>Total</th></tr><tr><td>2018</td><td>307</td><td>164</td><td>92</td><td>46</td><td>0</td><td>609</td></tr></table> <p>iii) Accordingly the institute sought approval from the Ministry for enhancing the intake in such a way as to allocate 10% of seats to EWS category while retaining the same number of seats allotted to Open Category (OC), without reducing the number of seats in other categories, as per Table 2 below. This amounts to 25% increase in the total number of seats, i.e. increase of 152 (761-609) seats with 76 in each year for a period of 2 years.</p> <p style="text-align: center;">Table.2</p> <table><tr><th>Year</th><th>OC</th><th>OB</th><th>SC</th><th>ST</th><th>EWS</th><th>Total</th></tr><tr><td>2020 (proposed)</td><td>307</td><td>206</td><td>114</td><td>57</td><td>77</td><td>761</td></tr></table>	Year	OC	OB	SC	ST	EWS	Total	2018	307	164	92	46	0	609	Year	OC	OB	SC	ST	EWS	Total	2020 (proposed)	307	206	114	57	77	761
Year	OC	OB	SC	ST	EWS	Total																							
2018	307	164	92	46	0	609																							
Year	OC	OB	SC	ST	EWS	Total																							
2020 (proposed)	307	206	114	57	77	761																							

iv) As per MHRD OM F.No. 35-4/2019-TS.III dated 26th April 2019, the ministry conveyed to increase the seats by 25% of the actual intake in year 2018-19 (25% of 534 = 134) to make the increased number of seats as 668 (534 + 134) only. It may be noted that the actual intake of NITC (534) was less than the sanctioned intake (609) mainly due to the unfilled seats in ST and PWD categories. In reality, the actual intake varies from year to year especially for the PG admission. PG admission statistics of preceeding three years is given in Table.3.

Table.3

Admitted Year	OC	OC-PWD	OBC	OBC-PWD	SC	SC-PWD	ST	ST-PWD	EWS
2017-18	295	5	155	0	71	0	29	0	NA
2018-19	290	4	145	3	66	0	22	0	NA
2019-20	294	2	162	1	87	0	29	0	46

iv) Adoption of the total number as in OM F.No. 35-4/2019-TS.III dated 26th April 2019, while retaining percentage reservation of various categories, will result in the distribution as given in Table.4 below.

Table.4

Year	OC	OB	SC	ST	EWS	Total
2020 (as per OM dated 26.04.2019)	271	180	100	50	67	668

v) The total number of students in the Institute with 761 PG students/year = 6322
Number of faculty positions sanctioned for the Institute : 483
Student faculty ratio as per this increased number = 13.1 : 1, which is well within the prescribed limits. Therefore, there is no need for additional faculty strength, if the PG admission is done as per Table.2.

vi) The increase in student strength of 152 will be distributed over 25 M.Tech programmes across various disciplines, 3 M.Sc programmes, one MCA and one MBA programmes, i.e. a total of 30 PG programmes. Hence, the number of seats getting increased per programme is approximately 3 only. This increase can be met with the infrastructural facilities presently available for these programmes.

	Considering all the above, the BoG resolved to grant permission to the institute to admit students as per the intake distribution given in Table 2 above. The BoG also directed the institute to communicate the details to MHRD in writing.
Subject BG52.12	To ratify the action of the BoG Chairperson (I/C) towards cessation of the lien of Shri M.Radhakrishnan consequent upon the receipt of the letter from the Director IIIT Kottayam intimating the confirmation of Shri M.Radhakrishnan (former Dy. Radhakrishnan with effect from 15th July 2019 for one more year or till his confirmation as Registrar of IIIT Kottayam, whichever is earlier.</p> <p>iii) The above decision of BoG was conveyed to the Director, IIIT Kottayam, on 14/10/2019 and in response to the same the Director, IIIT Kottayam, vide his letter No. Admn/09/OM/6/IIITK/2029-20/679 dated 22/11/2019, has informed NITC that Sri M.Radhakrishnan stands confirmed in the services of IIIT Kottayam w.e.f 16/07/2019.</p> <p>Consequently, the Chairperson (I/c), BoG of NITC, has approved the cessation of lien with NIT Calicut on 16/07/2019 AN and Sri M.Radhakrishnan, former Deputy Registrar NITC, was relieved from the services of NITC and the post of Deputy Registrar stands vacant.</p> <p>The BoG resolved to ratify the actions, as stated above, taken by the Chairperson I/c, discharging the functions assigned to the Chairperson under Section 16 of NIT Act & the Statutes 17(15) thereof.</p>
