

Ph. D Guidance

| Sl . No | Name of scholar | Roll No. | Status | Thesis title | Area of specialization |
|------------|-------------------------|-----------|---------|---|---|
| 1 | Gowrishankar Shanmugham | P150089EE | Ongoing | Surface Charging and its effects on Lightning Impulse Flashover Voltage of Outdoor Polymeric Insulators | High Voltage Engineering |
| 2 | Vidya S | P160045EE | Ongoing | Effect of fast transient overvoltage/current in various configurations of gas insulated substation | High voltage Engineering |
| 3 | Lekshmi Mohan | P160032EE | Ongoing | Polymer nanocomposites for electromagnetic interference shielding | Electromagnetic Interference/ Compatibility |
| 4 | Anjitha V | P180070EE | Ongoing | Electromagnetic compatibility of active medical implants | Computational Electromagnetics |
